Dear Edward:

Thank you for your support of the efforts to recruit and retain MPD officers, as evidenced by your recent donation of \$10,000 towards your pledge of \$40,000, payable over four years.

Resolving MPD's staffing shortage is a major objective of the new Operation: Safe Community crime plan. Your gift ensures that we can continue to work toward implementation of a county-wide comprehensive crime reduction plan spearheaded by top government, criminal justice and community leaders.

Public safety is essential to the economic growth and vitality of our community. As Memphis Fast Forward's first collective impact model, the Operation: Safe Community crime plan is a key part of helping accelerate the growth and improve the quality of life of the Memphis region. Each year the Memphis Shelby Crime Commission continues to advance its mission by emphasizing cooperation and integration with other major strategic plans and initiatives throughout Memphis and Shelby County.

Through the Operation: Safe Community plan, we have made tremendous strides over the past ten years, and with your support we will continue to make Memphis and Shelby County safer. Thanks again for your generous support of our efforts to help address the need to recruit and retain MPD officers.

Sincerely,
